

Hektoen Institute for Medical Research  
Cook County HIV Primary Care Center

An Innovative HIV Training and Infrastructure Development Model

The Hektoen Institute for Medical Research/Cook County HIV Primary Care Center provides training to build a comprehensive system of HIV counseling and testing for pregnant women throughout metropolitan Chicago.

Learn about the program using the Internet.

Learn about the model and the client outcomes it produces.

The Hektoen Institute for Medical Research/Cook County HIV Primary Care Center was funded as a HRSA HIV/AIDS Bureau Special Project of National Significance between 1994 and 1999.
