

PROTOTYPES WomensLink

A Community Based HIV Support Services Model

PROTOTYPES WomensLink of Los Angeles is a multicultural model of care for women with HIV. It integrates social and medical support services within a drop-in center located in the community.

Learn about the program using the Internet.

Learn about the model and the client outcomes it produces.

PROTOTYPES WomensLink was funded as a HRSA HIV/AIDS Bureau Special Project of National Significance between 1994 and 1999.
