

The Washington University
School of Medicine Helena Hatch
Special Care Clinic increases
access for women with HIV and
their children to coordinated
care and clinical trials in
greater St. Louis.

the Internet.

Learn about the model and the
client outcomes it produces.

The Washington University
School of Medicine Helena Hatch
Special Care Clinic was funded
as a HRSA HIV/AIDS Bureau
Special Project of National
Significance between 1994 and
1999.
